San Nicolas Music Academy is HERE!

David Letren , being one of the founders of the "Open Door Music Academy , decided to start up this foundation taking in consideration that it will take youngsters of the street. The goal of this Foundation is to offer music lessons of wind instruments to youngsters. In this case 8 youngsters, for the first Thursday class trumpet sessions, applied, via Face Book to attend the lessons, which started this week, are given Monday and Thursday by Eduardo Maya at Skol di Arte. The classes are given On Monday and Thursday, from 4 to 5 PM for kids from 8 to 12 years and for kids older than 12 years from 5 to 6 PM . According to Mister David Letren the intention is , in the near future ,to form a band that consists of 50 youngsters playing, one or more wind instrument. What the funds concern for this project there is an amount received, but it is not enough, to cover all costs in the future, therefore donation for "Open Door Music Academy" is highly needed.

Coming Back Home!

Daniel Ferrara, of the Gianni's Group announced the start of the remodeling project of the Ex Old Barbershop. This project that is situated in the Promenade of San Nicolas will cover a period of about six months. The reconstruction of this building that has been unused for quite amount of years ,will be transformed in such a way, that it will fit in the artistic ambiance that has become a world trade mark of the Promenade of San Nicolas. Un the outer part of the building will build an office and Rest Rooms. The intention is to sell the snacks that are already offered at the other exsisting Gianni's businesses. And most probably will also sell ice cream. All this at the end of this year or the beginning of the year

2021. Success the Gianni' s Group and Welcome Back Home.

Must say that this remodeling project is one of the projects that has been presented during the San Business Association Business Summit that took place in August 2019. And is now being executed. According to President of San Nicolas Business Association Andres Hernandez, this is the seventh project that will be executed.
